## 2023 ERWC LITERACY CONFERENCE “DOING LANGUAGE”

“This is precisely the time when artists go to work. There is no time for despair, no time for self-pity, no need for silence, no room for fear. We speak, we write, we do language. That is how civilizations heal.” – Toni Morrison

### Celebrating 20 years of ERWC!

Please join us for the annual ERWC Literacy Conference as we celebrate two decades as a community of practice. Featured speakers include Lamar L. Johnson, author of *Critical Race English Education*.

Mark your calendar now for the 2023 ERWC Literacy Conference in your region. You do not want to miss this exciting professional opportunity. All are welcome, so invite some colleagues and join us this summer!
